TO ALL SAPA FREE STATE MEMBERS

The 17<sup>th</sup> SAPA National Conference is now over. I want to believe that it was one of its kind, very informative and inspirational. Thank you very much for all those who went to that conference. We were the Province with most of the delegates. The support you have shown was out of this world.

I want to thank you once more for the manner in which you accepted me on stage. It made the whole SAPA to realize that Free State is available and has arrived. Thank you once more.

Members will realize that the standard that SAPA KZN has set is very high. Now that we are the host for 2012, this poses a big challenge to us. What is it that we are going to do to match the standard? The solution to this challenge is that we must work together. Together we can do more. I therefore request that all members should send all their inputs to the chairpersons of their Districts or to any member of the SAPA District committee. You are also welcome to e-mail me at this e-mail address: [botipemodupi@telkomsa.net](mailto:botipemodupi@telkomsa.net) or fax to (051) 535 1895. Your inputs will help us to host the 18<sup>th</sup> SAPA National Conference of its kind.

I am also urging every principal and deputy principal to encourage a principal/ deputy principal next door about SAPA and its activities.

I want to conclude by wishing all learners, especially grade 12 learners all of the best in the forthcoming final examinations.

Modupi B.M. (President SAPA FREE STATE)
